

Robertson Environment Protection Society
October Meeting – 7:30pm Friday 12th February 2016
Robertson Community Centre Caalong St Robertson

Speaker: Ted Smith

Topic: “Cultivating Black Diamonds”

Ted Smith from Yelverton Truffles says that French Perigord black truffles are being successfully grown right here in Robertson. Their reputation is one of mystery and myth with a history dating back to antiquity.

Described as Nature's Culinary Masterpiece 'with a perfume of the earth itself' all will be revealed during this talk about these underground treasures.

All welcome - a light supper will be provided. Entry with a gold coin donation
